In order to increase students' knowledge about the traditional culture of Guangzhou, our school held a "Guangzhou Culture Festival" last Saturday.

Many students took part in the Cantonese Opera Competition because they showed interests to the beautiful music and clothes. The Picture Show showed the changes of Guangzhou, which helped to understand its history and culture. As a saying goes that eating in Guangzhou, the Food Show introduced different kinds of cuisine in Guangzhou.

We hope that there will be an activity like Be A Little Guide in which students can get chances to visit some famous sites in Guangzhou and know some interesting stories took place in Guangzhou.
