Travel study --- a new way to spend your holiday. Have you ever heard about it?

When you have a travel study, you can see Big Ben, Sydney Opera House, the Statue of Liberty and so many other places. During the travel study, you may go traveling by yourself, or with your family or your friends.

When you travel, you are in a different culture every day. You will be served with different new foods and make new friends. You read all these from books in the past, but now it is real and you are part of it. Besides, you may also learn other cultures from your new friends because they are from different countries.

Maybe you already have foreign teachers in your school to teach you English. But he or she will not stay to speak English with you all the time, right? During the travel study, you have to speak it every day and almost everywhere because you are in an English-speaking country!

It also gives you a chance to live alone. That will teach you how to live. "What should I do if I lose my way in a foreign country?" "How can I buy what I want with my poor English?" You have to be clever and find answers for yourself.

In conclusion, you can get a lot from the travel study.

51. Traveling can help you in a lot of ways except _____.

(NEW YORK) A French tourist highly praised(赞扬) for saving a two-year-old girl in Manhattan said he didn't think twice before jumping into the cold East River.

Tuesday's *Daily News* said the 29-year-old young man who left the spot quickly after bringing the girl to safety last Saturday.

He lifted the little girl out of the water after she fell off the bank (河岸) near a museum. He handed the girl to her father, David Anderson, who had jumped in after him.

"I didn't think at all," Duret told the *Daily News*. "It happened very fast. I reacted(反应) very fast."

Duret, an engineer on vacation, was walking with his girlfriend along the bank when he saw something falling into the water. He thought it was a doll, but realized it was a child when he walked close to the river. Without thinking twice, he took off his coat and jumped into the water at once.

When he reached the girl, she seemed lifeless, he said. Fortunately, when she was taken out of the water, she opened her eyes slowly.

Anderson said his daughter fell off the bank while he was checking his camera. An ambulance(救护车) came later for her, said Duret, who was handed clothes from onlookers(旁观者). Duret caught a bus with his girlfriend shortly after.

The story happened on the day before he left for France. Duret said he didn't realize his story had greatly moved New York until he was leaving the next morning.

"I don't really think I'm a hero," said Duret. "Anyone would do the same thing."

54. Why was Duret in New York?

- A. To meet his girlfriend.
- B. To work as an engineer.
- C. To spend his holiday.
- D. To visit the Andersons.

55. What did Duret do shortly after the ambulance came?

- A. He was interviewed by a newspaper.
- B. He asked his girlfriend for his clothes.
- C. He went to the hospital in the ambulance.
- D. He went away from the spot quickly.

56. When was Duret most probably found to be the very hero?

- A. The day when he left France.
- B. The next day when the girl was saved.
- C. The first day when he was in New York.
- D. The same day when he was interviewed.

C

Are you looking for some new and exciting places to take your kids to? Try some of these places:

Visit art museums. They offer different kinds of activities to excite your kids' interest. Many offer workshops for making land-made pieces, traveling exhibitions, book signings by children's favorite writer, and even musical performances and other arts.

Head to a natural history museum. This is where kids can discover the past from dinosaur (恐龙) models to rock collections and pictures of stars in the sky. Also, ask what kind of workshops and educational programs are prepared for kids and any special things that are coming up.

Go to a Youtheater. Look for one in your area offering plays for children and family visitors. Pre-show play shops are conducted(开设) by area artists and educators where kids can discover the secret about performing arts. Puppet(木偶) making and stage make-up(舞台化妆) are just two special offerings you might find.

Try hands-on science. Visit one of the hands-on science museums around the country. These science play-lands are great fun for kids and adults alike. They'll keep your child active the whole day while pushing buttons(按钮), experimenting, and building. When everyone is tired, enjoy a fun family science show, commonly found in these museums.

57. If a child is interested in animals and plants, he will probably visit _____.

- A. a Youtheater
- B. an art museum
- C. a natural history museum
- D. a hands-on science museum

58. Kids can _____ at a Youtheater.

- A. look at rock collections
- B. see dinosaur models
- C. watch puppet making
- D. give performances

59. The underlined phrase "hands-on science" in the last paragraph means _____.

- A. learning science by doing things
- B. science games designed by kids
- C. a show of kids' science work
- D. reading science books

60. This passage probably comes from _____.

- A. A science textbook
- B. A museum guide
- C. A tourist map
- D. A news report

一、听力测试

做题时, 先将答案划在试卷上。录音内容结束后再将试卷上的答案转涂到答题卡上。

第一节

下面你将听到 8 段短对话。每段对话后有一个小题, 从每小题 A、B、C 三个选项中选出一个最佳答案。听完每段对话后, 你有 10 秒钟的时间来回答有关小题和阅读下一小题。每段对话只播一遍。

1. W: What's your favorite subject, Bill?

M: My favorite subject is P.E.

2. W: Would you like to see the menu?

M: No, thanks. I've already known what I want to order.

3. W: Have you ever been to Canada?

M: No, not yet. So far I've only been to Japan, Australia and the USA.

4. M: I'd like to book a room next Monday.

W: OK. May I have your name, please?

5. W: I hear you are moving to a new house soon.

M: I have to, because the neighbor is always playing the piano at night and I can't sleep.

6. W: Do you often play sports, Jack?

M: Yes, I do. I usually play soccer on Saturdays and Sundays.

7. W: Do you have any plans right now?

M: I don't know exactly. Perhaps I'll take a trip to Europe or find a job after finishing school.

8. W: Did you get the job you were interviewed for?

M: Yes, and I'm very excited about it. It pays much better than my old job, and I think I'll like the people better, too.
